Bannon - deputy reeve unseats Coneybeare

Dysart et al ended up Monday night after the municipal election with two new councillors, a new deputy reeve and one new

school board member.

Harold Bannon started strong and never looked back all night coming up

with a 350 vote margin in his bid for the deputy reeve post.

Bannon took a total of 1,028 compared to 679 for incumbent Lloyd Coneybeare.

The only losses Bannon suffered at the polls were in Harcourt advance which went 13 to 4 in favor of Coneybeare and ward 3, the Eagle Lake area which went 70 to 67 in favor of Coneybeare.

The Harcourt area went strong for Bannon, who served on council before running for the municipality's top post. In that area Bannon picked up 52 votes compared to 27 for Coneybeare.

In Donald it was the same story, Bannon with 34 and Coneybeare with 10.

In the two village polls it was almost all Bannon who came up with 193 on one and 171 on the other. Coneybeare posted 119 and 90 on the two polls.

In ward two Bannon had 204 to 179 for Coneybeare, the advance Haliburton Poll went 108 to 99 in favor of Bannon, and West Guilford went 195 to 72 for Bannon.

Bannon promises to work hard

Harold Bannon was a happy man on Monday night, if the width of his smile was any indication. Elected to the position of deputy reeve by a wide margin, Mr. Bannon promises to work hard to get things done for Dysart and to carry out his election platform.

He voiced on Tuesday his sincere appreciation to the voters and workers in Dysart for electing him.

Lloyd Coneybeare, the incumbent and other candidate for the position, called Mr. Bannon on Monday night to concede the election.

To all the voters who supported him in the election of 1976, Mr. Coneybeare sends his thanks, and gives congratulations to all the winners.

Cooper only new board member

Earl Cooper polled almost 1,000 votes to end up the only new representative on the Haliburton County Board of Education from Dysart et al.

Incumbent Len Salvatori came up with 1,177 votes to head the poll. His total was the highest cast for any candidate for any position in all of the municipal elections in Haliburton County.

Other returning incumbents for the board from Dysart were Dorothy Way with 963 votes and Rick Poole with 869.

Incumbent Dennis Waymouth went down to defeat, polling 615 votes. A strong showing was registered by newcomer to municipal politics, as Tom Little brought in a total of 454 votes.

Denholm gets good split in Guilford

Jack Denholm got a strong lead in his home poll of Eagle Lake picked up more in the advance poll and hung on right in West Guilford to come out as councillor for the West Guilford area of Dysart et al.

Denholm defeated Maxine Magee by a slim margin of 14 votes. He polled 199 votes to 185 for Mrs. Magee and 11 for Carl Simms.

In Ward three, the Eagle Lake area Denholm picked up 80 votes compared to 40 for Mrs. Magee and 12 for Simms. Denholm took the advance poll with 77 votes to 13 for Mrs. Magee and five for Simms.

In West Guilford the vote was split between Mrs. Magee and Simms. She picked up 132 to 94 for Simms. The victory for Denholm came when he took 42 in that area.

Five new members on Board of Education

Five elections for school trustees across Haliburton County have sent five new trustees to the board for the coming term.

Stanhope has elected two new candidates, Dorothy Kinsman and LeRoy Eager, replacing Evelyn Gibson and Wilfred Mason, both incumbents who ran again in this election. Stanhope had five candidates in all, the fifth being Beverly Pettes.

Anson, Hindon and Minden electors have returned Lloyd Johnson to the board for another term. Donald Booth has been elected to fill

the seat vacated by Len Lonsberry, who has taken a place on municipal council.

The third candidate in Anson, Hindon and Minden was Yvonne Penney.

Six candidates for the four positions on the board from Dysart et al were narrowed down to include Len Salvatori, heading the polls for another term, Richard Poole returned, and Dorothy Way, also re-elected. Earl Cooper elected for the first time to the school board. Incumbent Dennis Waymouth was not

returned. First time candidate Tom Little made a good showing.

In Lutterworth a contest between incumbent Norman Gilmore and Paul Pilon was decided with Mr. Gilmore returned for another term.

A trustee from Cardiff and Bicroft was elected from three new candidates, following Goldie Watson's decision not to run again for that area. Joan Ackerman and Peggy Gratix lost the election to Victoria Agnew.

Acclamations in county

Six reeves have been acclaimed in the nine municipalities of Haliburton county, leaving only three positions to be elected. The reeves acclaimed when nominations closed on November 15 were: in Anson, Hindon and Minden, Reg Booth; in Dysart et al, Murray Fearrey; in Stanhope, Sinclair Nesbitt; in Monmouth, Gary Agnew; in Snowdon, Robert Vick; and in Sherbourne, McClintock and Livingstone, Doug Russell. All of these reeves are incumbents.

In Monmouth the incumbent deputy reeve, Keith Tallman was acclaimed. In Sherbourne, McClintock and Livingstone, incumbent Fred Baum was returned.

On councils across the county, the only councillors acclaimed were in Dysart et al and in Sherbourne, McClintock and Livingstone. Dysart councillor in Ward 1, Roy Brohm was not opposed, nor was Ward 2 councillor Gary McKnight.

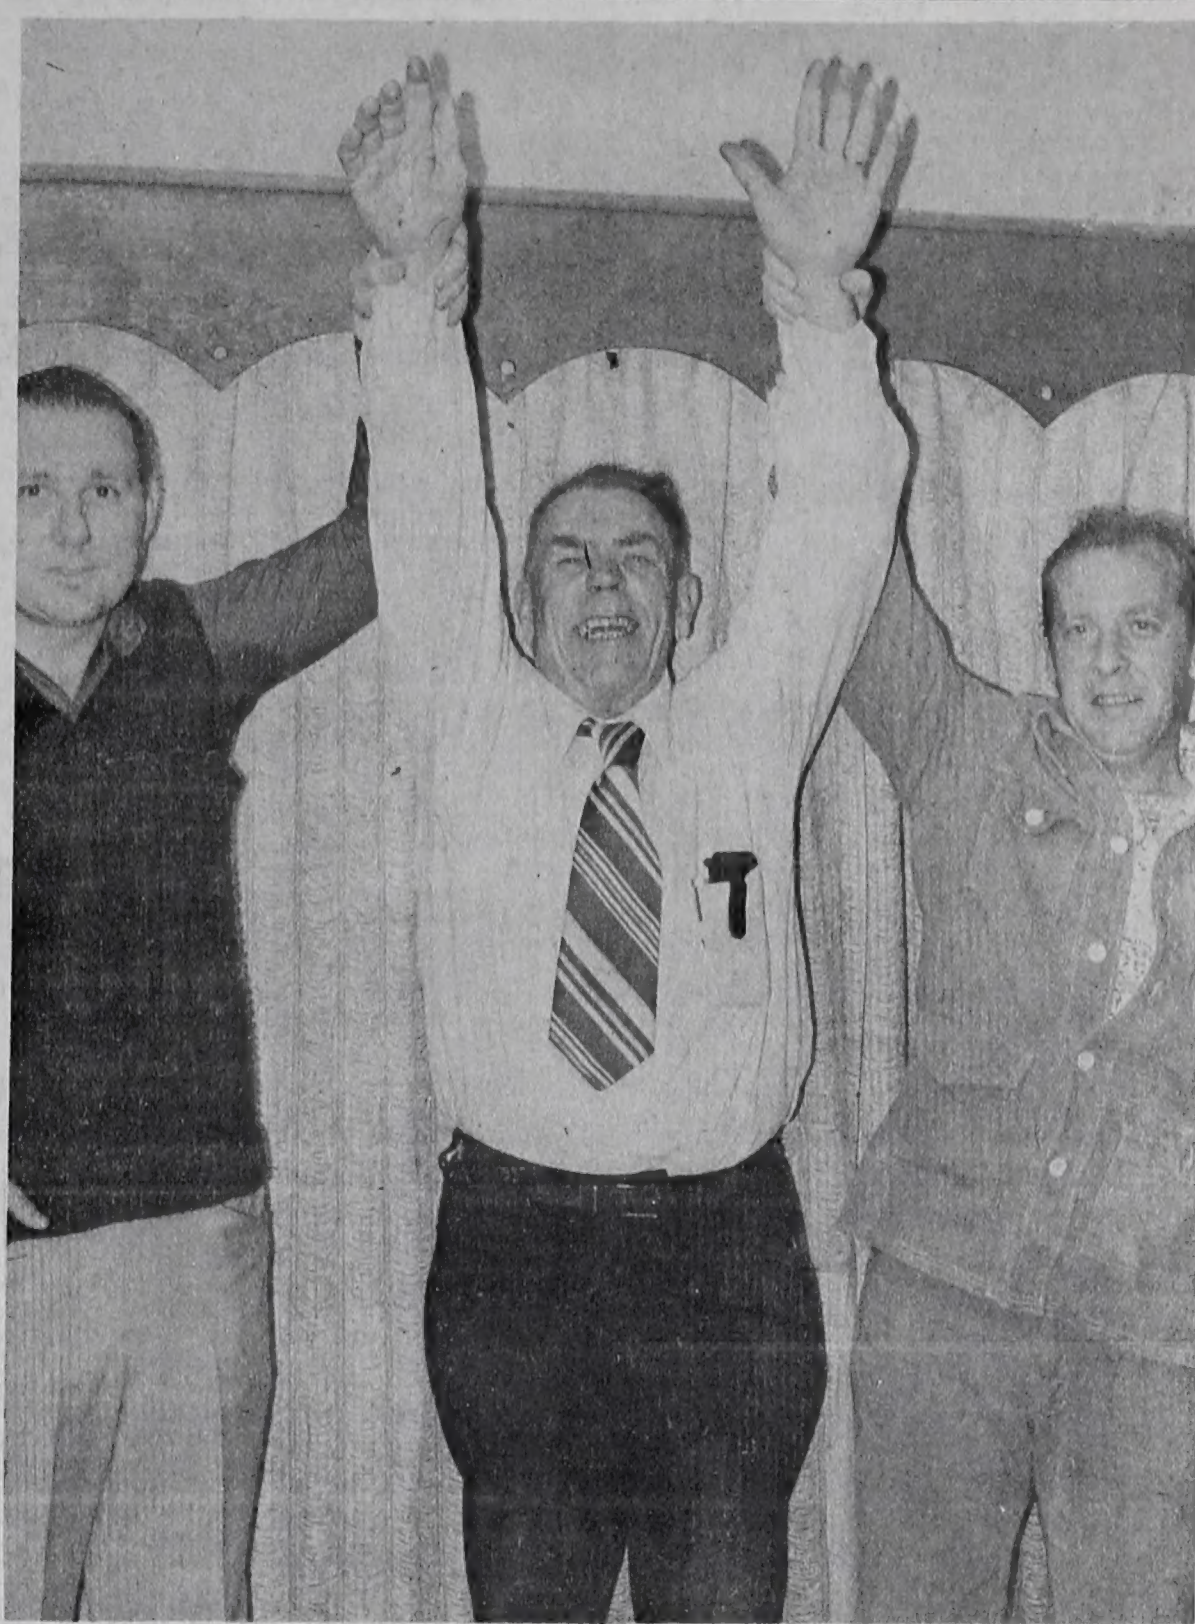

In Sherbourne, McClintock, Livingstone, council will consist of Don Shortreed, incumbent, Olga Cunningham, incumbent and Fran Gower, who takes the position for the first time.

There were only four acclamations to the 14 member Haliburton County Board of Education.

Acclaimed in Monmouth is incumbent school trustee Ross Anderson. In Snowdon, Ralph Young, incumbent returns, and in Glamorgan, Vaniet Pickens, incumbent was acclaimed. In Sherbourne, McClintock, Livingstone, incumbent trustee Joyce McKey has also been acclaimed.

With all positions acclaimed in Sherbourne, McClintock and Livingstone, there is a contrast between that township and those of Cardiff and Lutterworth, where there were elections for every position.

Stanhope also put up a lot of candidates, with elections for every position except reeve.

Congratulations

Dysart Reeve Murray Fearrey (left) and councillor Gary McKnight (right) congratulate the municipality's new Deputy Reeve Harold Bannon. Mr. Bannon defeated incumbent deputy reeve Lloyd Coneybeare by over 300 votes in the election. Mr. Bannon had served on the Dysart Council. He told The Echo that now he will try to

fulfill the platforms he proposed during the campaign. Both Reeve Fearrey and Councillor McKnight were elected to Office this year by acclamation. Municipal Elections were held in the municipalities around the County and all over Ontario Monday.

Anson, Hindon and Minden

Two new councillors one board member

Anson, Hindon and Minden has two new councillors, one new school board member as a result of Monday's Municipal election.

In the contest for deputy reeve, Doug Pritchard came out on top polling 524 votes to 421 for Bob Gorrie. Pritchard is the incumbent deputy reeve and Gorrie served on the council.

Pritchard picked up an edge on seven of the nine polls.

In the advance poll it went 22 Pritchard, 13 Gorrie, Poll 1A 74 Pritchard, 67 Gorrie, 1B 64 Pritchard, 62 Gorrie, 1C 81 Pritchard, 68 Gorrie, 1D 65 Pritchard, 52 Gorrie, 1E 90 Pritchard, 40 Gorrie, Poll 4, 27 Pritchard, 11 Gorrie.

Incumbents lose in Monmouth

The only elections in Monmouth were for the three positions on the municipal council but two incumbents were defeated in that race.

Mary Barker and Carman Coumbs upset incumbents Howard Anderson and Fredrick Taylor to take seats on the council.

Incumbent Marg Finlay was re-elected.

Carman Coumbs headed the polls with a total of 168 votes, an even split between the Tory Hill area and Wilberforce at 84. Mrs. Finlay and Mrs. Barker both came up with 160 votes.

Mrs. Barker had 139 in Wilberforce and 21 in Tory Hill. Mrs. Finlay came up with 70 in Tory Hill and 90 in Wilberforce.

Taylor finished fourth with 134 votes, Alan Revill had 121 and Howard Anderson came up with 87.

Gorrie came out on top with a 60 to 59 margin in Poll 3 and 48 to 42 in Carnarvon.

Allan Coneybeare was returned to his council seat but incumbent Helen Johnson finished fourth when three were to be elected.

Heading the polls for council in Anson, Hindon and Minden was former school board trustee Len Lonsberry who came up with 700 votes almost 300 more

than the nearest opposition, Lyle McKnight.

McKnight had 401 votes and Coneybeare had 396 to make up the municipal council for the next two years.

Incumbent Helen Johnson polled 325 votes, Earl Hewitt had 248, Bruce Nesbitt 217, Gary Warburton 112 and Allan Cooper 62.

Lonsberry showed his strength by topping all but one poll of the nine in the

election. His only loss came in Poll 4 where he had 12 votes to 16 for McKnight.

Board of Education incumbent Lloyd Johnson headed the polls for the two posts open. Johnson ended up with 789 votes to 483 for Don Booth.

Yvonne Penney finished third with 353 votes.

Johnson, like Lonsberry showed his strength at the polls winning all but the advance poll.

McGilvray re-elected in Cardiff township

Reeve Mac McGillvray polled over four times the number of votes his opposition did to retain the top post in Cardiff Township.

Reeve McGillvray took 259 votes compared to 64 for challenger Bill Davis.

The incumbent headed all of the polls picking up 51 in the advance, 64 in Highland Grove, 103 in Cardiff office and 41 in Wilberforce. In the same order Davis had 27, 11, 17 and nine.

Incumbent Mack Peters came out with a slim victory in the race for deputy reeve in Cardiff over John Steapley. Peters picked up 169 votes and headed the polls in the advance and Cardiff office. Steapley had 153 votes and was tops in the polls in Highland Grove and Wilberforce.

In the race for the three council seats incumbent Ross Lawrence topped the polls with 236 votes compared to 186 for Bill Hutton and 82 for Donald Wright.

According to the final count Monday night Eric Gratix missed getting on the council by a slim margin of

two votes. Philip Redwood polled 58 votes.

Victoria Agnew took 208 votes to win the townships only seats on the Haliburton

County Board of Education. Mrs. Agnew came up with 208 votes compared to 159 for Joan Ackerman and 57 for Peggy Gratix.

Harrison retains Stanhope seat

It was a long night of counting in Stanhope Township but Jim Harrison would feel that it was all worth it when he came out victorious in the race for deputy reeve.

Harrison pulled a total of 410 votes compared to 168 for Harry Davis. Harrison is the incumbent deputy reeve. Davis served on the council.

Of his 410 votes Harrison picked up 72 on the advance polls compared to 27 for Davis.

Elgin Stouffer took the vacant seat on the council and headed the polls in the process. Incumbents Napier Simpson and John Tomlin-

son filled the other two seats.

Stouffer polled 411 votes, Tomlinson 384 and Simpson 306. Elvin Johnson came up with 268 votes and John Muise had 149.

In the race for the board of education representatives in Stanhope the two incumbents, Wilfred Mason and Evelyn Gibson went down to defeat at the hands of Dorothy Kinsman and LeRoy Eager.

Mrs. Kinsman polled 356 votes to 307 for Eager, 181 for Mason and 98 for Mrs. Gibson. Beverly Pettes came up with 125 votes and 98 for Gibson.

Huskies lose two

The Haliburton Huskies are finding wins few and far between this season and now are getting ready for the toughest three games in a row they could play all season. For details of the Huskies last two games and more sports news see The Echo sports pages six and seven.

In the Wings

Sarita Myrtle, played by Sandy Roberts, makes her unwitting final exit as she leaves The Wings, a home for retired actresses outside of London, England, in Noel Coward's play "Waiting in the Wings". Sandy's performance, was exceptionally good, but the whole cast, members of the grade eleven and twelve theatre arts classes at the Haliburton Highlands Secondary School, did an excellent job of the play. It ran for two nights, Friday and Saturday, of last week. For the review of the play, see page two.

Fotheringham returned in Glamorgan

Incumbent Reeve Robert Fotheringham was returned to his position in Glamorgan Township by polling 159 votes.

Challenger Brian Madill finished with 87. Fotheringham's votes included 142 on the regular polls to 72 for Madill.

In the race for the three council seats incumbent Elgin MacDuff polled 158 votes to finish third in the first man race. Heading the polls was Chesley Noseworthy who came up with 170 votes. In second place was Robert McCausland with 161.

William Dobson finished fourth with 88 votes.

Francis leads Snowdon

Incumbent John Francis headed the polls in the race for the three council seats in Snowdon Township.

Two new members were elected to the council, Grace Simmons with 150 votes and Ron Burk with 142.

Incumbent Dick Steward went down to defeat polling a total of 93 votes. Bruce Jennings had 64 and Terence Brown came up with 54 votes.

Michael J. Leblanc of Toronto pleaded not guilty in Provincial court in Minden on Nov. 29 to a charge of careless driving and succeeded in having the case dismissed.

Leblanc had applied for legal aid in the matter, but had been told that the charge was not serious enough to warrant it.

Leblanc agreed to proceed

without counsel, and since there was no duty counsel present in court, presented his own defence.

Leblanc had come to the Minden detachment of the OPP at 4:00 p.m. on August 2 to report a collision that had occurred at 1:00 a.m. Damage amounting to \$500 had been done to a vehicle that Leblanc was driving when he lost control on a turn of the Glamour Lake Road, went into a ditch and

struck a rock. He was charged as a result of a statement given to the police on August 2.

In his defence, Leblanc explained that he was late reporting the accident since he took some hours to return to the home of the friend who owned the car and that when he returned to the scene of the accident, \$600 worth of goods had been stolen from the car.

He pointed out, with regard to the accident, that he was not accustomed to driving on gravel roads, and

that the turn where he lost control was a sharp right turn that was not signed.

Judge Inrig disallowed Crown Gerry Woron's comment that the excuse that the road was unfamiliar should be admitted. The judge said that it was the obligation of the municipality to properly sign its roads and that the speed would be 50 miles per hour on the turn unless otherwise signed.

Leblanc then, was not found to be at fault and the charge was dismissed.

14 days in jail on impaired charge

Convicted of having the care and control of a motor vehicle while impaired, Allan J. Desroches of Toronto received a 14 day jail sentence which he will serve intermittently.

Desroches was found by patrolling OPP officers on highway 35 on July 24. He was stopped beside the road on a motorcycle, and officers who stopped to speak to him noticed signs of impairment. Desroches was taken to the Minden detachment for a breathalyzer, and received notice of increased penalty for this, a second offence.

The court went to some length to determine how Desroches could serve his intermittent sentence, since he works a night shift at the Toronto Globe and Mail. A solution was arrived at only after some complicated timetabling, but a satisfactory arrangement was reached.

Desroches was also put on a 60 day probation to drink no alcohol and will have his driver's licence automatically suspended.

Buck Baker is one of the many people who were at the Dysart Arena Monday to get a shot to protect them from the swine flu. Helping is volunteer Ilene Morrison and giving the needle is Jean Tyler, a district health nurse.

Waiting in the Wings

Noel Coward's "Waiting in the Wings" came to Haliburton Highlands Secondary School Friday and Saturday with a cast that did justice to the study of character and community that the play presents.

Set in a home for retired actresses outside of London, England! Coward's play depends for its success on the number of characters that must be developed. Interacting with one another the nine old women in the home present various attitudes to

their past public lives and their present lives lived on public charity.

Without good performances by the cast, the play holds little for the audience. The audience at the H.H.S.S. production, though, had reason to be pleased.

Conflicts among the women include a thirty-year-old feud between May Davenport (Marnie Blair) and Lotta Bainbridge (Cathy Kinsman) that must be resolved. Perry Lascoe (Darrell Dancey) the

secretary for the committee that controls The Wings, does his best to arrange for a new solarium and nearly loses his job. A reporter, Zelda Fenwick, played well by Jenny Wills, arrives at Perry's suggestion and gives the women some unwanted sentimental publicity. Their reaction to Zelda's story about the faded has been "Waiting in the Wings" for the end of their lives is a good moment. Their reaction to the schmaltz shows just how well they have known

and still know the world.

At the same time there is some very real emotion in the play, and the cast presents it without a touch of the schmaltz that the women find objectionable.

A scene between Lotta Bainbridge and her dresser Dora, played by Erin Gilligan on opening night, demands a good deal of skill and was done well. Dora in a fit of tears must leave Lotta at the Wings, and with some good acting by both, the sadness at parting is very believable.

Cathy Kinsman as Lotta also does a good job in the scene where she rejects her son's offer to live on his private charity and accepts instead life at the Wings.

Sandy Roberts did an excellent job of Sarita Myrtle, the inmate who is truly mad, and truly delightful. Laura Bird as the gloomy Deirdre O'Malley played the part with lots of angry energy and a terrific and consistent Irish accent.

To really mention all the good performances means listing the cast. Lorrie Burk, a lively Bonita Belgrave, Louise Fleming as the hard to please Cora Clarke, and Marnie Blair as May Davenport, crusty and proud, were all good. Maude Melrose played by Judy Horsley, Almina Clare by Darleen Freeman and Estelle Craven by Lynn Finlay were all distinct and enjoyable characters.

Becky Davidson acted the part of the superintendent, a commanding soul who is at her best when in charge of crisis.

Marnie Wood's performance as the maid was enjoyed, and Peter Neville, filling in with a double role also did a good job.

The grade 12 theatre arts class that worked on the presentation was under the guidance of Bill Gliddon.

The set was workable and well arranged. Apart from a few opening night problems with the lighting, the stage was no problem. The cast had learned to use it well.

The hard work and talent of all concerned was very apparent. It can only be hoped that the group will find time to present another play this year. "Waiting in the Wings" was an ambitious undertaking, with its largest cast, but the students lived up to every bit of the challenge.

Zelda Fenwick (left), a journalist played by Jenny Wills must bear some insults when the women at The Wings discover her profession and intention to write about them and their forced seclusion. May Davenport (Marnie Blair) here lashes out at Perry Lascoe (Darrell Dancey) the secretary of the charitable organization that runs the home, looks on with Lotta Bainbridge (Cathy Kinsman).

27 occurrences investigated by OPP

The Minden detachment of the Ontario Provincial Police investigated 27 general occurrences and 12 motor vehicle collisions during the week of Nov. 29 to Dec. 5.

There was one break-in reported, four charges laid under the Motorized Snow Vehicles Act and three persons charged with impaired driving.

An accident Saturday morning at 1:47 a.m. on Highway 519 north of Donald resulted in \$2,000 damage to a car driven by Michael Carpenter, 19 of Lochlin.

Carpenter and a passenger in the vehicle, Deborah McDougall, 19, of Haliburton received cuts and bruises.

An accident at 7:45 a.m. Saturday resulted in \$600 damage to a pick-up truck driven by William Vivian Scheffee, 20, of Haliburton. The accident took place on Highway 519 in Haliburton. Scheffee has been charged with failing to wear a seatbelt assembly.

A single car crash Saturday afternoon sent two people to Peterborough Hospital with fractures.

Dorothy Dewey, 54, and William Dewey, 66 of Gooderham were taken to hospital by ambulance when the vehicle they were in struck a rock.

The car was driven by Dorothy Dewey. There was \$1,000 damage to the vehicle.

The accident took place on Highway 503, west of Gooderham.

A two car crash at 7:45 p.m. Saturday resulted in \$300 damage to one car and no damage to another vehicle.

The car driven by Evelyn Stevenson, 53 of Minden, received the damage in the crash. Ronald R. Shaw, 27 of RR 2 Haliburton was the driver of the other vehicle.

Shaw has been charged with failing to yield and failing to wear a seatbelt assembly.

The accident took place on Highway 519, south of Donald.

A single car crash on Highway 35, north of Minden at 11 p.m. Saturday resulted in \$1,000 damage to a car driven by Elwood H. Barry, 21, of Minden.

There was \$100 damage to two Ministry of Transportation signs.

Echo Editorials

Arenas must be fixed because chances cannot be taken

Many communities throughout Ontario have been told by the Ontario Government that they must make certain repairs to their arenas or otherwise close them down. They claim that some of these arenas are unsafe. In Haliburton County both Haliburton and Wilberforce have to make extensive repairs to their ice palaces.

The province recently closed 214 arenas - all requiring major renovations or demolition - and 76 others are open under a monitoring system.

The system requires an arena to be closed or vacated when the weather is severe. It can be reopened when conditions improve.

When the province announced several weeks ago that it was sweetening the grant pot so that 75 per cent of new arena construction or renovation costs would be borne by the government, it took the edge off some of the bitterness. But more than a trace

of hostility remains in many small communities.

According to the Toronto Star the attitude in small outlying communities visited by a reporter is that the province is probably right in ordering arenas shut down but it should have waited until new arenas were built.

The major effect in most communities hit by arena closings is the drastic curtailment in the number of hours youngsters will put in playing hockey or skating this winter. It also means the hours they do skate are in other communities, sometimes 20 or 30 miles away.

There have been 19 deaths as a result of arena collapses in the past 15 years in Ontario and Labor Minister Bette Stephenson, who ordered the repairs and shutdowns, said recently that every one of these deaths was totally preventable.

Democracy never stops after elections

The election is over, the winning candidates deserve to be congratulated and the losers say they have won the victory of being part of democracy.

Where do we go from here? What the voters and defeated candidates must do now is keep a constant check on the victorious politicians, keep in touch with what is going on to make sure the campaign promises are fulfilled.

For the new members of municipal governments, it will be an enlightening experience. They will learn first of all that everything is not as simple as it seems and they will also learn the facts

of politics, the first being that you cannot please everyone if you are planning on governing the municipality in the best way possible.

For the first few months the longer standing members will be burdened slightly while an education process takes place for the new members.

In most cases, unless the new member is a student of the Municipal Act, it will be a very trying time, and difficult to feel any accomplishment.

The first rule for the new members is to stand up and be heard, that is why the people elected you.

Drivers not the weather - real cause

Winter weather gets the blame for a lot of accidents. But according to the Ontario Safety League, the real culprit in most cases is the driver who fails to adjust to cold weather problems.

Here are some of the causes of winter wrecks and the defensive driving measures used to avoid them. "Too fast for conditions" is all too frequently listed as an accident factor. When the road is slippery you can't stop as quickly or as safely. Lower your speed when the road surface is hazardous. The Ontario Safety League states that you should stretch your following distance to even double or triple the usual road interval.

Abrupt turns, lane changing and sudden acceleration or deceleration can cause bad skids on ice and snow. Anticipate turns or speed changes and make them slowly and gradually.

Limited visibility is a major problem. A driver who scrapes only a little peephole in his ice-covered windshield is asking for it. Clear your windshield completely of ice and snow and keep it that way. Also, scrape outside mirrors clear. Be sure your defroster is in good shape.

Poor traction has caused many a crackup. Check tread wear on your snow tires and keep them inflated correctly. Tire inflation should be checked more frequently during winter months to be sure pressures are at recommended levels; cold weather reduces tire pressure approximately one pound every 5 degree celsius drop in temperature.

There's only one trick to winter driving, according to the Ontario Safety League...take it slow and easy, from start to stop!

Haliburton Highlights

As we write this column the snow is slowing and we must admit that we are getting much more snow and colder weather than we have experienced in the month of December for many years.

The local stores are bustling with activity these days as Christmas approaches and most merchants we have been talking with tell us that business is good and they are looking forward to more business as times goes on.

At a recent meeting of the Haliburton Rotary Club Paul Wilson and Bill Emmerson presented an excellent film from Canon Ltd. on the construction of the CN Tower, with fine example of engineering design, ingenuity and team work.

The Kinsmen Club in Haliburton who meet every other Tuesday night at the Ol Barn are continuing to give excellent service to the community.

Cordell Carpets in Haliburton are holding their first Annual Holiday Open House and it will continue up to December 11th.

The Management and staff of Haliburton Lumber and Curry Bishop Limited held their annual christmas party at Deer Lodge on Saturday night.

If you are looking for a Christmas tree and Rotary Club of Haliburton have them on sale at many of the local business establishments.

Benny Hinn that great evangelist will be the

guest speaker at the Full Gospel Business Mens Dinner to be held at Deer Lodge this coming Saturday evening December 11th starting at 7:00 p.m. Only 200 Dinner Tickets are available and are available at the Kosy Korner Restaurant. Don't miss this outstanding speaker.

The Rotary Club of Haliburton will be holding their Ladies Night at PineStone Inn at Haliburton on December 23rd.

The Haliburton Arena is a hive of activity these days and ice time is at a premium. With hockey games, practices figure skating and public skating things are kept very busy.

Winter is here and the roads at times are quite slippery so drive carefully.

Editor's notebook

BY JIM BADGLEY

The smoke has cleared and the municipal election has finally ended. For some it is a disappointment, some they are happy with the results and The Echo news staff is just looking forward to a little break.

Covering elections hits both ends of the good and bad of the newspaper business.

First there is the excitement and the opportunity to be involved. You get a real education about what is involved in politics.

The second part is the amount of work involved and the attempts to keep all of the information straight.

This past election was not unusual for a municipal election. The candidates made few promises, just ran for the seats on their own merits as people who would like to serve the community.

There was very little hard campaigning of one candidate against another. The elections seemed to come off on fairly friendly terms between the contestants.

Municipal government is the backbone of our political system. It is from that point that everything starts and in most cases seems to

end. One of the major tasks of the provincial government is co-ordinating the many hundreds of municipalities in the province. By co-ordinating, I mean giving the proper amounts of grants and seeing that most local requests are answered.

The new members of council will soon find it is not always an easy task getting things done for the municipality. They will soon find that because of the way municipal governments are set up and in part financed, the province has a great deal of control and at present is still working on a period of cutbacks.

The new members will also find that not all of the people in the community are right, and in the process of decision making by the council some taxpayers will feel slighted.

The new members should be forewarned that being part of municipal council is not just attending meetings once a month. It means many nights away from the family, hammering out details on various projects.

Being a member of council, if the job is to be done properly, means working at it full time, only with part time hours. It means for most

finishing work at 4 p.m. and turning around and starting to work for the municipality.

It means that your telephone can ring at all hours of the day or night, and not all of the calls will be of a friendly nature.

It means listening to the wishes of the people, but not always being swayed by them.

It means being talked about behind your back for things that were not part of your doing.

It means being frustrated time and time again because what you know is right just cannot always be accomplished.

It also means being quoted in the newspaper, sometimes not to your liking. You have suddenly become a public figure. Your words have to be chosen carefully, because invariably what you say will be repeated.

Becoming a member of municipal council, as small as it may seem, is a big job. You are, in your own area, as important as any politician in Canada. You have a vote that can help shape the destiny of your neighbors, be sure to use it well and for the best benefit of the municipality. The voters have given you their support, do not let them down at anytime.

News from Extendicare

by Charles Plewman

GIVE ME A MIND THAT IS NOT BORED, THAT DOES NOT WHIMPER, WHINE OR SIGH: DON'T LET ME WORRY OVERMUCH ABOUT THE FUSSY THING CALLED "I".

More important than the problems that assail us in life is our mental attitude toward them. We see that everyday at Extendicare where so many people are severely handicapped. All of us have to accept what we cannot change. It is so easy to grow resentful. The best medicine seems to be in keeping oneself busy, in making the most out of what we have. Our craft programme makes an important contribution along these lines.

Zest for life, the feeling that you are living on the keen edge of a brand new experience may be difficult here but it should be the experience of every young person in the full possession of his faculties.

We have too many people who are just "weary willies" - just too lazy to try, life to them becomes hum-drum. Life is an adventure, living dangerously is fun. The joy of achievement is real. We should give life our best.

We had a Fire Drill on Wednesday morning at 6:35 A.M. This was something new in that it caught most of us in bed, if not asleep. We now have had a work-out on all three shifts Miss Elton says.

Pottery continues to be popular. The first run has been fired and will soon be glazed.

The course on Health Care for Nursing Aides meets alternately in Haliburton and Minden. They find it very helpful.

At a meeting of the Directors of the "Happy Gang" on Wednesday, December 1st, C.F. Plewman resigned as President for health reasons. He was succeeded by Jacob Gill. Taking Jake's place as Secretary was Mrs. Mary Currah. Dr. O.W. Anderson remains as Secretary, in which connection he has done an excellent job. Mr. Plewman was made Honorary Past-President.

The residents have had their Swine Flu Vaccine without any ill effects.

Some of the residents are still talking about the good time given us during our recent visit to Wilberforce.

Do you want a game of cards?? Phone Mrs. Miriam Lewis for a reservation.

We have a Gestetner, it makes splendid posters, letterheads, etc. - just like as if it was printed. You can purchase the inexpensive stencils from us and have designs etc. cut on it by the Canadian Imperial Bank of Commerce at Minden. We hope this Gestetner will render a real service to the Community. Phone Mrs. Miriam Lewis at 457-1722.

On Friday we held our regular Devotional Period. Capt. Burry of the Salvation Army was to have been in charge but could not make it. In his absence Charlie Plewman filled in. His subject was the "Kingdom of God."

Our most recent arrival is Mrs. Olive Tyler of Haliburton, who will be with us for a few weeks. We are sorry to report that Mrs. Martha Wiggins is in the Peterborough Civic Hospital and her many friends hope she will soon be returning.

I am indebted to Mrs. Donna Dillon for deciphering my hieroglyphics and putting them into readable form. Mrs. Dillon is our hard-working Secretary.

"WORK IS LOVE MADE VISIBLE"

Provincial court sits four days

The provincial court was in session in Minden for four days over the past week in a somewhat unsuccessful attempt to clear away a backlog of cases.

There was no duty counsel present on three of the four days. Ted Gardiner who usually acts in that capacity for this court was occupied with matters in other courts for those days. Mr. Gardiner's cases, then had to be remanded.

Several cases had to be put to another date for failure of the accused to appear and others were set over when counsellors who had agreed on trial dates during this week did not appear but sent requests for a change of date.

On Monday, Nov. 29 James Bowland of Hamilton, charged with mischief, failing to appear and impaired driving, appeared in court with a notice from his counsel who would not be able to proceed on that day. The trial date had been set over once before. Judge Inrig noted that if it were set over again, it would go ahead on the next date, now set at February 8.

Also set over to February 8 for trial was Roger C. Bathurst of RR 1, Dwight charged with common assault, possession of a dangerous and prohibited weapon.

Alfred H. Livsey of Minden, charged with impaired driving and represented by Mr. Gardiner, has set another date for trial also on Feb. 8.

On Tuesday, Beverly J. Parish of Haliburton charged with attempted fraud and arson, and Robert D. Vickery of Haliburton charged with arson and theft under \$200 set a date for trial on March 15.

Thomas J. Emmerson of RR 2-Haliburton, charged with breaking and entering and theft, was remanded to December 14 to enter a plea of guilty on the matter.

Larry K. Preston of Newmarket charged with driving with an open container of liquor, impaired driving, refusing a breath test and assaulting a police officer and Mervin E. Preston of Burnt River charged with obstructing the police and assaulting an officer, appeared in court on Wednesday, Dec. 1 but was unaccompanied by their counsel. Both parties are to return on Jan. 25 to set a further date for trial. Judge Inrig spoke of the contempt of court that was being shown, and told the two to ask their counsel to be more co-operative in appearing or sending a letter.

Donald C. Cary, charged with impaired driving, had his case remanded to January 11.

Larry Petrie, charged with having the care and control of a vehicle while impaired and refusing a breathalyzer test, was to appear for trial on those charges on Dec. 2 but was not before the court. Crown counsel Jerry Woron objected that the accused was "playing fast and loose with the administration of justice", since the offence was committed over a year ago, and had been adjourned previously at the request of the accused.

However, rather than proceed, since Petrie would have to spend some time in custody if there was a conviction, the court issued a bench warrant for non-attendance.

The Word of God

by Brian V. Sullivan

Note: This writer has been away from this area during much of late September through early November holding Gospel Meetings in the State of Ohio. With this article, we begin a more regular flow of material for your consideration. Keep reading. Thank you.

This historical record of the Bible can be divided into three main areas of consideration. They are: 1) The Patriarchal 2) The Jewish or Mosaic 3) The Gospel or Christian Age. It is essential to understand that the Patriarchal period of time extends from the beginning to the cross. It should be pointed out that after the Law was given at Mt. Sinai the Biblical record is concerned primarily with the story of the Jewish nation and the development of God's plan to bring a Saviour to the world. References to other nations are made as they relate to that nation and to that plan. However, you should bear in mind that, while the law of Moses was given to govern the Jewish nation only, the Gentiles were not without law. They continued to live under the same law that had governed man from the beginning and they continued to live under it until it, along with the Law of Moses, was nailed to the cross (Colossians 2:14).

It is called the Patriarchal Period or Dispensation, the period of the fathers, because it was during that period of time that God dealt with man through the head of the family, that father, who served as priest and spokesman for God (Hebrews 1:1).

Within the early portion of this period (prior to the

separation of the Jewish line from the Gentiles by the giving of the Mosaic Law) we can trace the history by reading the Bible, Genesis 1 through Exodus 19.

As you read this portion of scripture you will find that it can be broken down into four sections. Let us consider each very briefly.

The Ante-Deluvian Period (Genesis 1-8) That technical term means: "before the flood". This period covers the time from Adam to Noah, or from the creation to the flood.

The Post-Deluvian Period (Genesis 9-11) That means the time "after the flood." This period includes the history of Noah after the flood, through the generations that lead to Abraham.

The Hebrew Father's Period (Genesis 12-50) This deals specifically with the fathers of the Hebrew nation. It deals with the lives of Abraham, Isaac, Jacob and his twelve sons, known as the twelve patriarchs (Acts 7-8). This period covers some 215 years of Hebrew history, from the call of Abraham until the beginning of the Egyptian bondage. The events of the life of Joseph make up a good portion of the text.

The Egyptian Bondage Period (Exodus 1-19) This period also covers approximately 215 years. It deals with the life of the Israelites as slaves in Egypt, the call of Moses while in Midian, the hardening of Pharaoh's heart by the ten plagues, and the final deliverance from bondage under the leadership of Moses. Actually they were free when they crossed the Red Sea, but the Law of Moses was not given until Mt. Sinai.

Thus, for easier remembrance, we say that this period is covered in the first 19 chapters of Exodus, and spans the time from Jacob to Moses.

In our next study we will begin a discussion of the Jewish or Mosaic Dispensation. One word of explanation is in order for the above article. When I refer to the 'Law of Moses' I am not suggesting that Moses originated it, but rather that Moses was the means by which God's Law for the Jewish or Hebrew Nation was made known. This same meaning will be implied each time I use the expression 'the Law of Moses' throughout this series. Thank you.

County sports

By Jim Badgley

The Haliburton Huskies are finding themselves falling further and further behind the rest of the Central Ontario Junior D League.

In the games I have seen, the Huskies are every bit as good as the rest of the league but they just cannot seem to put it all together and come up with a few wins.

After a win against Bancroft Nov. 26 it looked like the Huskies might have clear sailing for a couple of games. They got to meet Bewdley, one of the weaker teams in the league, in the next outing and then it is to Bancroft for the next contest.

On paper it looked like these might be the turn around games for the Huskies, but that is not the way it ended up on the score sheet.

So, instead of having a 4-4 recorded at this point in the season Haliburton finds itself 2-6, not exactly playoff material.

The schedule isn't going to get any easier either, at least not easier than it has been in the past three games. Friday night Haliburton gets to take on the league leaders, Wellington and then they have to turn around on Sunday and travel to Lakefield the second place club.

To top it off, a week this Friday, Bobcaygeon comes to town who as of last week were undefeated.

If the Huskies don't come up with a win or two in these next three games the rest of the season could be difficult.

With a couple of wins in these games and victories against the basement dwelling Colborne team Haliburton could get back into the thick of things.

The Haliburton Pee Wees have turned around a losing season and are now on the right track. Last week they came up with a win over Omemece and then on the weekend downed Ops Centre.

One thing about the pee wee action, penalties are not a big part of the game.

In the win over Ops only eight penalties were called in the game, four minors to each team. In the Omemece game Haliburton took only one minor penalty while Omemece had four.

Haliburton Beaconbrook Midgets coach Bill Davis doesn't seem too upset about the team's loss over the weekend in Ops. His club has been playing some good hockey, including a win over Fenelon Falls Saturday night at the arena.

Bill told me that Fenelon was one of the clubs Haliburton was worried about and he is happy to have that win under his belt.

He said that the win over Fenelon was probably the best game the midgets have played all season.

Coming games for Haliburton's all star teams include the midgets at Fenelon Falls Friday night at 8:30 p.m. and Beaverton will be here Saturday night beginning at 8:30 p.m. The Bantams travel to Bobcaygeon tomorrow night for a game which starts at 8:30 p.m. Tuesday at 7 p.m. the local pee wees will play host to Omemece. The Haliburton Atoms travel to Ops for a game with Oakwood Saturday at 8:30 p.m.

The Huskies will take on Wellington Friday night at 8:30 p.m. and then travel to Lakefield for a game Sunday at 8 p.m.

Huskies drop two more games

Victories are few and far between these days for the Haliburton Huskies. On Friday night the Huskies blew an early 3-0 lead and ended up on the short end of a 6-4 score against Bewdley and on Sunday the team just never got started and lost 5-1 against Bancroft.

After a scoreless first period in the game played in Bancroft, the hometown team opened up a 3-0 lead in the second period.

Bill Towes opened the scoring at the 8:34 mark of the period with an assist going to Jim Wade.

Bancroft got its eventual winner at the 16:32 mark

when Chris Altoft scored from Wade and Jeff Murphy.

Bancroft went ahead 3-0 with less than one minute to play in the period when Al Linton scored from Mark McGee and Roger Kellar.

Bancroft went ahead 4-1 at the 10:23 mark of the third period when Glen Watson scored a powerplay goal with assist going to Linton.

With a minute and a half remaining in the game Bancroft scored the final

goal, Altoft from Linton.

A total of 31 penalties were called in the game with Haliburton taking 17 including a major misconduct to Tim Oram which will mean he will sit out the clubs next game.

On Friday night the Huskies jumped to a quick 3-0 lead in the game played at the Dysart Arena only to lose to Bewdley.

Dave Levely opened the scoring at 8:32 mark on a play from Mike Scheffee and Larry Stinson.

The Huskies went ahead 2-0 at 11:15 when Dan Curry scored unassisted.

Four minutes later Hal-

iburton widened the count to 3-0 on a goal by Scheffee with assists going to Levely and Bernie Nicholls.

Bewdley started their comeback at the 16:54 mark of the first period when John Robinson scored from Dan Goody and Bob Eardley.

Bewdley came out flying in the second period and it paid off with a goal at the 1:23 mark. Robinson got his second of four unassisted.

It was Robinson again, exactly six minutes later with an assist going to Ron Davis.

Robinson gave Bewdley a lead for the first time in the game one minute later when

he connected from Kirk Woodward.

Bewdley widened the count at the 4:04 mark of the third period when Dan Floyd scored from Woodward and Davis.

The Huskies got back into the game at the 8:46 mark when Nicholls connected on a play from Levely.

Goody put the game away for Bewdley with just over three minutes remaining when he connected from Marty Brown.

A total of 29 penalties were called in the game with 17 going to Bewdley.

The Huskies see action this Friday night when Wellington comes to town for a game which starts at 8:30 p.m.

The team travels to Lakefield Sunday for a game at 8 p.m.

Curling News

For the past two weeks the Curling Club has been a hive of activity - day & night. As part of the Phys. Ed. programme of the High School, students have been taking curling instruction all day and every day - with the Clubs regular schedules at night. 'It's hard on the ice - but good for the kids' says Bob Collier. However by Xmas a new flood will be put on and clean ice will be available for the new schedule starting Jan. 1.

Ontario Curling Assoc. events begin this month. Already our JR. rink has shown promise - taking High Single in our Mens 'Spiel' - and with 1 win - 2 losses - (all close games) at Peterborough Curling Club last Saturday. Steve Collier skips this rink. Jean Collier will skip a Ladies rink, with Karen O'Connor, Linda Brohm and Sheila Popple in the Ontario Ladies play-downs at the Fenelon Falls Dec. 15. District Senior men will play at Lakefield Dec. 19 - and on the same day our District Legion play-offs will take place at our own rink, with 2 rinks entered by our Local Legion. League play is producing some fine curling with many close and entertaining games. This first schedule ends at Xmas - and the second Schedule for the annual trophies will begin early in January. We can use a few more Curlers, both men and ladies to fill the rinks for this series. Please call Jean Collier - 457-2547 if you would like to curl with us.

Bantams victorious over Oakwood

Haliburton Bantams came up with a big effort Sunday at the Ops Arena when they downed Oakwood 6-3 in a game in which neither side took any penalties.

Oakwood opened the scoring after only 39 seconds of play in the game but Brian Lloyd evened the count two minutes later.

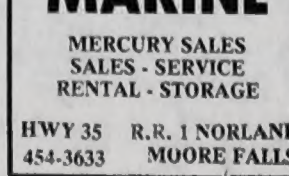

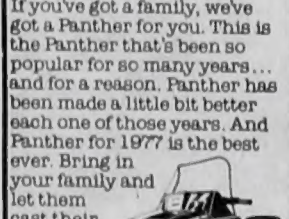

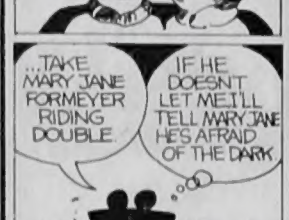

Mark Prior put Haliburton in front 3-1 by scoring a pair of goals in the space of one minute and 45 seconds.

Haliburton's Ken Wylee scored the eventual winner in the second period.

In the third period Lloyd scored his second goal and Roger Hicks scored one. Oakwood picked up two goals in the period.

Picking up assists for Haliburton in the game were Butch Mannery with three,

Wylee 2, Hicks, Tony Scheffee and Len Hodgson with one each.

Midgets at best

The Haliburton Beaconbrook Midgets came up with their best effort of the season Saturday night at the Dysart Arena and downed Fenelon Falls 7-3.

The league's top scorer Bernie Nicholls came up with another big effort firing two goals and picking up one assist. Andy Salvatori equaled Nicholls' performance in the goals department.

Ed Roberts opened the scoring early in the first period when he connected from Consack and Mike Iles.

Salvatori scored from Nicholls to give the hometown squad a 2-0 lead early in the second period.

With just over five minutes gone in the second period Nicholls put Haliburton into a 3-0 lead. Assists went to Iles and Dean Potter.

Nicholls fired his second goal of the evening just seconds later, unassisted to

give Haliburton all of the scoring they would need to win.

Fenelon Falls got on the score sheet at the 8 minute mark when Dan Kish scored unassisted.

The count went to 4-2 a couple of seconds later on a goal by Brian Swain with an assist going to Larry Twinbury.

Haliburton erupted for three goals in the last three minutes of the period.

David Harrison connected from Consack at 12:29, Scott Barris scored from Consack at 13:29 and Salvatori picked up his second goal from Barris at 13:51.

Fenelon came back for one goal in the third period, Tim Armstrong from Jeff Traill.

A total of 24 penalties were called in the game with 14 going to Haliburton including a misconduct to Nicholls.

The demand for electricity in Ontario reaches its peak early in the evening on cold winter weekdays.

Between 4 and 7, everyone's asking for electricity. Many factories, stores and offices are still open. Street lights are on. The kids are home from school, parents home from work, evening meals are being prepared. And the heating system has to work harder. It all adds up.

Demand for electricity have been increasing at a pace that can no longer be met. The rate of growth must be reduced.

You can help by avoiding the big jobs like baking, washing and drying between 4 and 7. Make sure that unused lights, TVs and appliances are off. Take it easy on the hot water.

Please do all you can to save electricity.

Pee Wees pick up two wins during week

Peace

May the wonder of Christmastime... and its joy... fill your hearts with peace and your lives with love. We wish you all the best.

The Haliburton Pee Wees came out of last week with two wins to the team's credit, downing Omamee 3-2 on Thursday and upsetting Ops Centre by the same score on Sunday.

Haliburton came out shooting in the game with Ops taking a 2-0 lead midway through the second period before watching the home town team come back and tie the count with a late goal in the third. Haliburton scored again with less than one

minute to go to come up with a win.

David Nicholls opened the scoring for Haliburton at the 3:22 mark of the first period when he scored on a play from Dean Curry.

Haliburton got its 2-0 lead at the 3:39 mark of the second period when Stephen MacNaull connected on a play from Anthony Vanlieshout and Curry.

With just over two minutes to go in the period Ops got back into the thick of things when Steve Robert-

son scored from Jamie Bergin and Tim Brasier.

With just 1:32 second remaining in the game Brad Windrem evened the count for Ops scoring from Robertson.

MacNaull gave Haliburton the win with only 53 seconds remaining when he connected on a goal from Nicholls and Stephen Smith.

It looked like Haliburton was going to run Omamee right out of the arena in the Thursday night game.

Haliburton jumped to a quick 3-0 lead in the first period only to watch Omamee come back with a goal in the final minutes of that period and one in the second.

The two teams played scoreless in the final frame.

Vanlieshout opened the scoring at the 2:53 mark of the first period from Stephen Smith.

Just eight seconds later Tim Hockley widened the gap to 2-0 when he connected from Curry and Nicholls.

Hockley scored 1:24 seconds later to give Haliburton

a 3-0 lead from Nicholls.

Omamee got within two goals at the 13:19 mark when Robert Elliott scored from Paul Arsenault and Steve Medland.

Arsenault scored Omamee's second goal in the second period from Medland and Bobby Ruth.

A total of eight minor penalties were called in the game against Ops with the teams taking four each. There were five called in the Omamee game with Omamee taking four.

The next game for Haliburton Pee Wees will be Tuesday night at 7 p.m. when the club is at home against Omamee.

Midgets upset

9-6 by Ops

The Haliburton Beaconbrook Midgets, found themselves on the short end of 9-6 score Sunday night in Ops when they were playing without scoring ace Bernie Nicholls.

Nicholls had been suspended for one game.

Ops started early, at the 48 second mark, when Jim Pearson connected from Rick Smith.

The hometown club ran the count to 2-0 when Brad Prentice scored from Larry Currins at 4:24.

It was Ops again at 7:55 of the period on an unassisted goal by Currins.

Ops went ahead 4-0, 13 seconds later when Prentice connected unassisted.

Haliburton got back in the contest at the 14:16 mark when Mike Scheffee scored unassisted.

Just 33 seconds later Dean Potter connected from Andy Salvatori to make the score 4-2.

Ops jumped back into a three goal lead at the 2:04 mark of the second period when Currins scored from Prentice.

Haliburton took over in the second period and got goals by Scheffee from Rod Consack at 6:51 and Salvatori unassisted at 15:42.

Ops came out flying in the third period and three straight goals. Kevin Kirley scored from Pearson at 1:31, Brian Walden from George Hamilton at 5:48 and Paul Winn from Pearson at 5:56.

Scheffee's third goal of the game with 6:53 remaining in the third period gave Haliburton a little bit of hope but just 2:30 seconds later Larry Currins gave the

home town crew a 4 goal lead. He scored from Prentice.

Haliburton got on the scoresheet once more when Salvatori connected from Ed Roberts.

A total of 16 penalties were called in the game with 10 going to Ops.

Nicholls scores 4

Haliburton Beaconbrook Midgets' leading scorer, Bernie Nicholls did to Minden Walker's Lumber Midgets what he was doing to teams all over the league this year.

Nicholls picked up four goals to lead Haliburton to a 6-2 win over Minden in a game played last week.

Rod Consack opened the scoring for Haliburton at the 5:17 mark of the first period when he deflected a pass from the corner from Dean Potter.

Nicholls put Haliburton into a 2-0 lead five minutes later when he connected with a slapshot that went through Minden goalie Kelly Young's pads. Mike Scheffee picked up an assist on the play.

Haliburton went ahead 3-0 at the 4:31 mark of the second period when Nicholls scored on an end to end rush beating a Minden defenseman and the goalie with good moves. Mike Iles got an assist on the play.

Minden got back in the game less than two minutes later when Brian Shaw connected on a good pass from David Brown. Dan Allison picked up an assist on the play as well.

Nicholls came back with some good moves half way through the third period and put the game away for Haliburton. Assists went to Scheffee and Ed Roberts.

Brown put Minden within two goals, scoring unassisted just a few minutes later.

It was Nicholls again for Haliburton and Consack to round out the scoring in the game.

Roger Hicks picked up an assist on the Nicholls goal and Scheffee got a point on the Consack marker.

A total of 13 penalties were called in the game with nine going to Haliburton.

This and that

By Jennifer Woods

It has been said over and over again that breakfast is the most important meal of the day. Most of us have slept eight hours and are ready for a nourishing meal. Too many times we eat sweek junk cereals that give us quick energy but no sustenance, or worse we eat nothing at all only that cup of coffee or piece of toast. It is time we respected our bodies. We take our health for granted and expect our bodies to run on almost no fuel at all - you wouldn't even do that to our cars. If you do not have time in the morning fall back on that perfect protein, the egg, but if you want to start out in a very healthy and delicious way, please try some of the true cereal recipes that I have here. For some of the ingredients you may have to visit a health food store. It is the only place that you will be able to find the unrefined and unprocessed cereals that you need. Once you have visited a health food store it will become a regular event because you won't be able to resist all those "goodies" that are good for you and taste great too.

PROTEIN GRANOLA [approx. 12 cups]

1/2 cup honey
1/2 cup oil
1 tbsp. vanilla
1/2 tsp. salt
1/2 cup sesame seeds (protein)
1 cup soy grits (protein)
1 cup wheat germ (protein)
2 cups grated coconut
7 cups rolled oats (protein)

In a large saucepan or dutch oven heat the oil, honey and vanilla until the mixture is thin. Turn off the heat and stir in the remaining ingredients in the order given. Make sure each ingredient is coated with the honey mixture, except for the coconut and the rolled oats which you will have to mix in. Put the dutch oven into your own oven and turn the heat to 350F for the cereal will begin to toast in about 15 minutes. Once it has begun to brown stir it every 5 to 10 minutes. Take the cereal out of the oven and let it cool. You will have enough granola for quite a few breakfasts. It is delicious served with hot milk on cold mornings.

CINNAMON OATMEAL [3 portions]

1 3/4 cups of water
1/4 tsp. salt
1 tbsp. cinnamon
1/4 cup raisins
2 tbsp. soy grits (protein)
1 1/2 cups of rolled oats (protein)
1 cup milk (protein)
honey to taste

Bring the water to the boil and add the salt, cinnamon and raisins while it heats. When boiling add the soy grits and rolled oats. This is a great variation of everyday rolled oats and with the soy grits you are getting added protein.

HOT PEANUT CEREAL [2 portions]

This cereal tastes very much like hot peanut butter cookies and I'm sure that it will entice every child to try it.

2 1/2 cups water or milk
1/4 tsp. salt
1/2 cup whole wheat flour (protein)
1/4 cup raw peanut meal (protein)
1 1/2 tsp. soy grits
1/4 cup raisins
2 tbsp. honey

Heat the water (milk) and salt. Stir in the flour, peanut meal, and grits using a wire whisk to stir the mixture smooth. Add the raisins and honey. Cook the mixture uncovered over medium-low heat until it thickens about 10 to 15 minutes. Serve with milk.

I hope you enjoy "warm mornings" with these nourishing cereals.

Minden News and Notes

Evelyn and Loyne Cox had a surprise visit from Ken Duke of Tanawanda N.Y. one day last week.

Saturday afternoon the ACW had a very successful Bazaar and Bake Sale with the Parish Hall attractively decorated and a grand cup of tea and lunch served in the basement.

At the L.O.B.A. Card Party at the Orange Hall Nov. 29th winners were for cribbage Evelyn Cox and for euchre high and lone hands Shirley Elcome and Ellen Scribner.

Harry Cowan and Phil Robinson. After the games a social half hour was enjoyed and the delicious lunch served by the ladies.

Officers elected to A.C.W. Executive included Pres Stella Burch, Secretary Anne Sawson, Treasurer Ila Cooper, Convenors Dorcas Leone Skeed and Social Gladys Wruth.

Sincere sympathy goes to the families and friends of the late Jack Ball, Bob Schroder and Rod Ward who

passed away since last week.

All her friends send good wishes to Mrs. Garwood Stevenson at the local hospital.

Mr. and Mrs. Bert Harrison are home after a holiday in Florida but report the weather was cool and they had snow one day.

Winners at the weekly Mini Card Party at the Parish Hall last Thurs. afternoon were for bridge Doris Craig, for cribbage Cora Hewitt and

Harry MacMinn and for euchre, lone hands Florence Robinson and Harry Cowen and Marjorie Coner.

30 day sentence given man

Dale Thomas Cary was sentenced in the provincial court in Minden on Dec. 2 to 30 days in jail for a breach of probation.

Cary had been put on probation on November 7 of 1975 following convictions on a charge of failing to appear and on counts of theft under \$200. The 24 month probation specified that he was to abstain from the use of alcohol and drugs other than those prescribed by a doctor.

On July 7 and 8 of this year complaints were received at the Minden detachment of the OPP stating that the accused had been drinking and had caused some trouble to his mother's employer. On July 8, Cary drove into the parking lot of the Minden OPP detachment as a passenger in a car driven by a Mr. MacDuff. The two were looking for Cary's brother. MacDuff was charged with impaired driving and Cary was questioned. He admitted that he had been drinking and was given a breathalyzer test.

He had no excuse to offer for why he had been drinking while on probation, and conviction was registered.

Gems of Truth

The Deity of Christ Romans 9:5 [b] "Christ came, who is over all, God blessed forever"

There are many people who refuse to believe in the Deity of Christ and are constantly claiming that the Bible nowhere declares Jesus Christ to be God. The many passages of Scripture that speak of His Divinity are brushed aside as being of no importance, or a lesser meaning ascribed to those passages of Holy Writ. Especially are such fond of telling us that the title of "only begotten Son of God" speaks only of a close spiritual relation between Jesus and God, but does not declare Jesus Himself to be very God. Such people are not only wrong in their estimation of the Saviour Son but are also hard to convince of their error.

To get rid of a verse as stated in Romans 9:5, unbelievers must prove that the verse was never in the original manuscript or, that it does not speak of Christ, or, that it does not mean what it plainly says. Others would claim that the Bible is a Book not to be believed in. Of the many unbelievers, the last excuse for not believing in the Divinity of Jesus is perhaps the most common one.

To the true Christian believer, the Bible has proved itself over and over again to the reliable Word of God. In the Epistle to the Romans we find that Paul, that great servant of Jehovah God expounds the great truths of the "begotten Saviour". He brings to light the universal lost condition of the unbelieving ones, then moves on to the God provided remedy for sin. That remedy is in the coming to earth of the "Son" given. It is then that He was "begotten" born of a virgin, crucified and risen again.

Paul climbs to the height of all the blessings bestowed upon "believing ones" in chapter eight, then comes to a climax in chapter nine verse 5, and shouts in triumph that Jesus Christ is God over all, blessed forever. Here the text speaks of Jesus using His Messianic Name and Title Christ. Jehovah the Saviour had come and He is very definitely said to the "ex-

press image" of the Father. Hebrews 1:1-3.

The word "God" as used in verse 5 cannot be destroyed or robbed of its meaning, rather it is pushed upward to its very highest and fullest meaning. He is Sovereign over the vast universe and the Word

speaks thus of Him. It is with this fact in view that Paul ends his statement of the Deity of Christ with the verifying "Amen". The One to be worshipped is "Christ who came, is over all, God blessed forever. This is true Christmas exaltation! Can we share it?

Brownies and Guides

On Wed. Dec. 1 the Brownies of the 1st Pack with Brown Owl Mrs. Claire Higgins and helpers Judy Folz and Margaret Gow, met with the Haliburton Guides for a fly up ceremony at the High School.

The parents of the girls were invited to attend and the Commissioner for the District Mrs. Sandra Curry. Also attending was Mrs. Sandra Johnson former Brown Owl of the 2nd. Brownie Pack. The three Brownies to fly up were Kim Burke, and Patty Higgins of the 1st pack and Karen Miller of the 2nd pack. These girls have worked well in Brownies and are looking forward to their years in Guiding.

After the ceremony Janet Brooks and Kelly Roberts gave a speech on how Scouts and Guides began and the aims of the organization. This is part of the work required toward their All Round Card.

The girls then played games and finished the evening with campfire songs.

H·H·S·S· News

by Becky Davidson

The Instrumental Music Department is getting ready for their Christmas Concert Wednesday, December 15. The three musical groups that will be performing are the Senior Band, Junior Band and the H.H.S.S. Stage Band. The programme features Christmas music along with some carol singing.

On Monday, December 29, we were given a fantastic performance by a theatre group from Toronto, called the "Theatre Hour." This was followed by a workshop in which we learned how to portray acts of violence, for the stage. Several students were able to perform skits for the rest of the workshop. All of the actors and actresses were really great and their visit was appreciated by the student body.

Our "50-Miles" club is still running and getting closer to their goal; Mr. Brohman - 30 miles, Mr. Oakley - 29 miles, Mr. Lerpiner - 27 miles, Miss Koehler - 16 miles, Angela Bishop - 6 miles and Doug McNab - 1 mile.

The boys' extramural basketball practices have begun. Let's hope the boys' team will do as well as the girls'.

"Waiting in the Wings" was a unqualified success. The grade 12 Theatre Arts class had to work hard but they managed to have a lot of fun at the same time. Many thanks go to Mr. Phillips and Mr. Gliddon who have given so generously of their time and talents.

How to cut the high cost of garbage

the garbage book

HOW TO SAVE ENERGY AND MONEY BY THROWING OUT LESS

Each one of us discards an average of 4 pounds of garbage a day — 1,500 pounds a year. That's energy we're throwing away!

By avoiding unnecessary products, and reusing and recycling the rest of them, we can save a tremendous amount of energy for Canada. And money for ourselves.

The Garbage Book shows you how to reduce your garbage. It's new and free. Separate chapters deal with packaging, consumer products, food waste, yard waste, composting and setting up a recycling program in your community.

Mail the coupon today for your free copy of The Garbage Book.

All you've got to lose is your garbage!

L'hon. Alastair Gillespie
Ministre

Along the trail with Roy Bates

When the controversy over the closure of the Hydro line trail to Whitney reached the Hon. Leo Bernier, Minister of Natural Resources, his action was to refer the issue to the Provincial Parks Advisory Council for study. Meanwhile the snowmobile route was to remain open, and the Haliburton County Snowmobile Association along with other interested groups such as the Chamber of Commerce were to be provided an opportunity for input to the Council's investigation.

The Parks Advisory Council acted quickly. An invitation was issued to this writer to be in attendance at a regular meeting of the Council at Queen's Park on December 4th, at which time the Whitney Trail controversy was to be introduced. Unfortunately - or perhaps fortunately as it turned out - it became necessary because of illness to decline the invitation. We were able, however, to arrange for the acceptance by the Council of a competent replacement.

Chief Government Liaison Officer and Parks Committee Chairman for the Ontario Federation of Snowmobile Clubs, Mr. Rick Start was happy to cover the meeting and to present our case. We armed him with all the pertinent information that we could reasonably squeeze through the telephone and, combined with his thorough knowledge of previous park issues, Rick was able to put together a very convincing presentation. So convincing, in fact, that a recommendation from the Algonquin Park Superintendent to close the trail was set aside and a motion to recommend to the Minister that it remain open was passed with only one dissenting vote. The recommendation will, however, provide for further study of the snowmobiling question when the Algonquin Park Master Plan comes up for review in 1979.

We believe that Mr. Bernier will act in good faith and adopt the Provincial Parks Advisory Council's report. We believe that riders of the Whitney Trail will act in good faith by respecting the fact that snowmobiles are not permitted elsewhere in Algonquin. The full co-operation of all who use the trail is essential if we are to hope for a favourable decision two years hence.

The Haliburton County Snowmobile Association extends a very sincere vote of thanks to Mr. Start and the O.F.S.C. for the splendid assistance in overcoming this serious trail problem.

With the ground finally turned white, and with more flurries in the forecast, we can expect to have snowmobiling conditions any day now. A word of caution to

Case is remanded

Daniel Paul Warburton of RR 1 Minden has had a case remanded in the provincial court to February 15 for trial on that date.

Warburton was charged in connection with an incident that occurred July 13. He appeared in court on November 30 to arrange a date for a hearing on the matter.

those snowmobilers who will be hitting the trails for the first time in this early season.

Early snow has little buoyancy. Your snowmobile will tend to find bottom. Sharp stones are very bad

for your track and striking a rock or a stump can result in a bent ski or broken ski leg. Take it slow and steady until the trails are well broken down and a solid base has begun to form. Many new trails have

been cut for your enjoyment this year. And many old trails are freshly underbrushed and widened to allow for better grooming. Grooming will begin as soon as the snow attains sufficient depth for safe operation of

costly equipment. While trail grooming eliminates some of the hazards from snowmobiling by smoothing out the rough terrain and providing a wide trail bed for safer passing, the equipment at work

presents a very real hazard in itself. The "Bomb" and its drag takes up the entire trail. It ambles along at about five miles per hour and cannot move quickly enough to get out of the way of a speeding snowmobile.

We cannot stress too strongly the importance of controlling your riding speed so that you can stop safely in somewhat less than the distance you can see clearly ahead. The best practice is to develop a habit of

expecting the machine to be just over that hill or around that next bend. When you do this, you will find that maintaining a safe speed is easy and almost automatic. So much has been said in past years about the dangers

of thin ice that it seems superfluous to mention it again, yet every year drownings occur because snowmobilers get on the lakes too early. Please stay on the dryland routes until the ice is PROVEN safe.

Election act amended

Constituents of Victoria-Haliburton are reminded by M.P. Bill Scott that the Canada Elections Act has been amended, and as of June 26, 1975, British subjects who are not also Canadian citizens will not be eligible to vote in federal elections. Ontario provincial elections are not affected by the new ruling, and so British subjects who are

permanent residents of Canada will continue to be eligible to vote in provincial elections, whether or not they hold certificates of Canadian citizenship. In all future federal elections, anyone wanting to get on a voter's list must show proof of Canadian citizenship. In the majority of cases, certificates of citizenship can be acquired simply by applying to the Secretary

of State. This can be done through the local office in Peterboro. Applicants must provide a birth certificate, and proof of date of entry into Canada in the case of immigrants from other countries. Present law requires five years residence in Canada to qualify for citizenship.

Information can also be obtained from Mr. Gordon Pepper, Sheriff of Victoria County, at the court house in Lindsay. Sheriff Pepper's phone number is 324-2542. Anyone who does not have a certificate of citizenship and

who wants to vote in the next federal election, is advised to apply for the certificate without delay.

From the Chamber

by Bob Stinson

The Canada Manpower "Outreach" office is now a reality. Counsellor Co-ordinator, Jane Northgrove and her assistant Cathy Carroll have set up their office about LaRue Motors in Haliburton. They are presently in Peterborough undergoing extensive training and will be available in the office beginning this Friday, December 10th. The official opening has been set for December 20th but more about that next week. In the meantime you are welcome to drop in and the girls will be pleased to give you the information you require. Jane will be covering the entire county and will set up scheduled office hours at other locations shortly to provide information to employers and employees.

We do urge both employers and people in need of employment to make use of this facility. There are presently many forms of help available through Manpower that most of us are not aware of, and one of them may solve your problem. This centre can also provide valuable statistics of our employment situation that can be used in assessing the economic problems of the area. A great deal of part-time help is used in our county and it is hoped that this centre will help provide communications for those looking for and requiring part-time work.

The Ministry of Industry and Tourism has asked us to provide them with information on "Spring Events" (March, April and May) by no later than Dec. 15th. This is for the Ontario Spring Events publication and we always have difficulty coming up with events for this season, particularly this far in advance. If you know of anything that could be included, please contact our office.

At the last Directors meeting a motion was passed to provide a new category for Service Clubs and Associations in the Chamber for a nominal fee of only \$20.00 per year. It is hoped that all clubs will join the Chamber at this new rate and provide the base for excellent communications and co-operation of all organizations throughout the county. There are many fine and wonderful things we can accomplish if we check to make sure we are all pulling in the same direction.

It would appear that we picked a bad date for the Elimination Draw/Dance this Saturday. Seems as though everyone is having their annual Christmas party that same night. As a result we still have tickets available, and whether you can attend or not the odds in the draw are certainly extremely good. For an investment of \$20.00 there is better than one chance in a hundred on the \$1,000 prize and about one chance in ten on the many other prizes which range in value from \$15.00 to \$80.00 each. Tickets cannot be sold at the door, but are available up to that time from the office and all directors. Please help support us and take advantage of this excellent opportunity to be -- a big winner.

for love,
for remembrance,
forever™

NOTICE TO CREDITORS

NOTICE TO CREDITORS AND OTHERS

ALL PERSONS having claims against the Estate of **HAROLD JOHN DOUGLAS** late of the Township of Dysart in the Provisional County of Haliburton who died on the 2nd day of November, 1976, are required to file proof of same with the undersigned Solicitor on or before January 8th, 1977 after which date the estate will be distributed having regard only to the claims of which the undersigned shall then have notice.

DATED at Haliburton, this 2nd day of December, 1976.

David M. Bishop, Barrister and Solicitor, Bishop Building, P.O. Box 472, Haliburton, Ontario, K0M 1S0 for the Executrix **IRENE ELLEN JANE DOUGLAS** of Haliburton, Ontario.

In Memoriam

In fond memory of a dear brother **Mark Dean** who passed away Dec. 13, 1975 and sister **Violet Fetterly** who passed away Aug. 14, 1973.

When family ties are broken And loved ones have to part, It leaves a wound that never heals.

And also a broken heart. Your ends were very sudden It made us weep and cry But the saddest part of all We never said goodbye. For those who have loved ones Treat them with loving care For you never know the heartaches Till you know they're not there.

Sadly missed by sisters Greta, Verna, Mervel and brother George.

IN MEMORIAM

RANSON - Ray W.S. - In loving memory of my dear husband Ray, who passed away December 10, 1972.

As time unfolds another year, Memories keep you ever near. Silent thoughts of times together, Hold memories that will last forever. Sadly missed by wife Nellie, sons Douglas and Dave and their families.

ANDERSON - In loving memory of a dear brother, Greg who passed away December 13, 1975.

We often think of bygone days, When we were all together; The family chain is broken now, But memories will live forever. To us, he has not gone away, Nor has he travelled far; Just entered God's eternal home And left the gate ajar.

Sadly missed by sister Nila, brother-in-law Elwood and family.

In loving memory of a dear Son and Brother **Kenneth Bishop**, who passed away on December 9th, 1971.

Though his smile is gone forever And his hand we cannot touch Still we have so many memories Of the one we loved so much. His memory is our keepsake, With which we'll never part, God has him in His keeping, We have him in our heart.

Sadly missed and always remembered by mother, Louise, and sister Viola, & Bruce, Brenda, Marlene, David & Allan Cook.

Setting trial date

In court on Dec. 1 on a first appearance for a charge of impaired driving and driving with over .08 alcohol in the blood.

Philip Sawyer of Keswick it to reappear Jan. 25 to set a date for trial. Sawyer was charged on November 30.

IN MEMORIAM

ANDERSON - In loving memory of our dear son, Greg, who passed away December 13, 1975.

Just a prayer from the family who loved you, Just a memory fond and true. In our hearts you will live forever, Because we thought the world of you.

A golden heart stopped beating, Two smiling eyes at rest, God took you to his heart To prove he only takes the best. It was a sudden parting Too bitter to forget Only those who loved you Are the ones who will never forget.

Sadly missed by Mom and Dad.

Report from Queen's Park

by MPP John Eakins

There has been considerable discussion this week about a ruling of the Ontario Highway Transport Board to allow Greyhound Lines of Canada Ltd. to run buses on routes between Toronto and Buffalo and Toronto and Sudbury which are at present served by Gray Coach, a subsidiary of the Toronto Transit Commission. Gray Coach spokesmen have said that the

company will appeal the decision to the Ontario Cabinet, but the Minister of Transportation and Communications has told the Legislature that he agrees with the Board's reasons for giving the ruling - complaints of poor service by Gray Coach, and the need for competition on the routes in the public interest. Leonard Moynihan, president of the Amalgamated Transit Union has charged that telegrams of support for the Greyhound service from union locals, read in the House by the Minister, were paid for by Greyhound, and that although more jobs might be provided, they would not be in Ontario, because Greyhound would then have a cross-Canada service, with drivers from the United States, or from Winnipeg driving through Ontario. A vice president of Greyhound admitted in a telephone interview, reported in a Toronto newspaper, that the company paid "thousands" of dollars to bring 70 witnesses to Toronto to support the company's application.

Liberal Leader Stuart Smith has stated that bus service to many small Ontario communities is threatened by the Transport Board decision to permit in American controlled company to operate on the two main Ontario routes under discussion. "It appears that he Davis Government is willing to condone this sell-out to American interests at the expense of a Canadian company owned by Ontario taxpayers", he said. Gray Coach officials said this week that Greyhound will skim the profits from these two money-making routes, making it impossible for Gray Coach to continue to provide service on money-losing routes in the rest of the Province. Stuart Smith and other Opposition Members have tried or repeatedly to persuade the Minister of Transportation and Communications, or the Premier, to delay issuing Greyhound with the necessary permits, until the Cabinet has had an opportunity to consider the major policy change.

The Provincial Government is to produce a detailed report on the follow-up care provided for nineteen teenagers who have died in the last two years after being released from provincial training schools. The Minister of Correctional Services told the Legislature this week that nine boys and one girl between the ages of 14 and 17 had died in the year ending March 1975, while they were still wards of the province, and that there had been ten similar cases in the previous year. He said the teenagers had been free from training schools for an average of 17 months before their deaths.

Margaret Campbell, M.P.P. (liberal - St. George) asked the Minister to include in his report information regarding the case-load of the after-care workers handling each teenager who had died, and Stephen Lewis commented that the report would probably show that the probation officers concerned probably had such heavy case-loads that "nobody had time to look after them. I think you will find what is true of all services in Ontario - that after-care follow-up is desperately inadequate."

Two men convicted

Timothy F. Hughes and Roger K. Yearwood, both of this area, were convicted in

provincial court Dec. 2 for the possession of a weapon for a purpose dangerous to the public peace.

Crown information stated that they were at another person's house on July 15, took a shotgun from the wall and ammunition and drove in Hughes car to the house of the complainant, Leslie Alton, on highway 121 near Minden.

They drove by the house several times, and then Hughes fired the shotgun at the front of the house.

A four by four front window was shot out amounting to \$100 damage. The house is about 100 feet distant from the road, and the shot covered a six foot area. No shot was found inside the house, but was found outside.

Leslie Alton and Leslie Alton Jr. were sitting at a kitchen table directly in line with the window, about 20 feet from it. A statement made by Mr. Alton said that he had seen the car, heard the shot, and that his son had dropped to the floor and told him to duck.

After shooting at the house, the two accused had returned the gun, apparently taken without the owner's knowledge.

The crown noted that considering the nature of the offence, the judge might want a pre-sentence report prepared before specifying the sentence.

Counsel for the accused said that his position was that there was little in the way of background for a pre-sentence report to examine. He explained on behalf of the accused that the two had been at the Fireside in Minden the night before the shooting and that an aerial had been removed from their car. Hughes suspected that it was taken by one of the Altons. Counsel said that the accused knew that they were venting emotion, and admitted now that it was no excuse. He noted that neither intended any harm.

Judge Inrig decided to wait for a presentence report, and the matter was put over to January 11 for sentencing.

Christmas pageant planned at church

Concerts, pageants, carols family and friends, these were the simple ingredients of old fashioned Christmas before the days of frantic commercialism.

The congregation of St. George's Anglican Church extends a warm welcome to everyone in the community to share some of the simple

joys of Christmas with them at their annual pageant.

It is an ideal way for the entire family to begin the festive season. Young children will be enthralled by the colourful costumes and the angels 'floating' above the manger. Older family members will enjoy the beautiful music and be touched anew

at the simple story of Christ's birth.

A nursery will be available for very young children. Refreshments will be served and this will give everyone a chance to say 'hello' to old friends and acquaintances. If you are new to the area, you will be especially welcome. Please come and share part of your Christmas with us as a member of the community family.

Admission is free but tickets should be obtained prior to the performance dates from: Varty's Jewellers Candelwood Gifts.

See the 'Coming Events' section of next weeks paper for dates and times of the pageant.

A Christmas Pageant will be held at St. George's Anglican Church Tuesday, Dec. 21, at 7:50 p.m. and Wednesday, Dec. 22 at 7:30 p.m. Admission is free but advance tickets are available from Varty's Jewellery and Candelwood Gifts.

Mr. Gerry O'Neill will be present at the
